Foreword

In the beginning we were Freshmen. Our cares were few and our hopes, many. We were in the center of a large maze that was to provide the path for the next four years. Soon the small circle of our Freshman year began to grow. We started to learn all the "facts," join all the "things," and know all the "people." The maze became larger and more twisted.

Then we were Seniors. . . .

School Spirit is...

the bubbling enthusiasm displayed by the students on the day of the game, the happy grins on their faces as they anticipate the excitement and action to come, the hard-to-quell restlessness that breaks out in patches all day and finally bursts forth in full blast when school is over.

It's the stomping of feet and the clapping of hands at the pep assembly, the solemn faces of the team members as they step out on to the floor, the respectful silence of all those present while they listen to what the coach has to say.

It's both the gleeful shout of "Yea Team!" and the whispered "Good Luck" to one of the players.

It's feeling a part of the crowd on a crisp autumn evening, sharing with everyone else one overwhelming emotion--the desire to win.

It's the frantic search for seats, the gaily waving banners, the shouts of pride when your team dashes onto the field. It's the roar of the spectators in tune to the kick-off. It's the beaming faces of the peppy cheerleaders as they urge everyone to yell.

It's the jumps for joy, the blaring of horns, the prancing of the majorettes when "your guys" score a touchdown.

It's the gala half-time show, the band performing, climaxing hours of practice. It's the lump in your throat and the sting in your eyes when you hear the first strains of the Alma Mater.

It's the victory line formed to encourage the players, and it's the determined look on their faces as they rush through.

It's the shudder that goes through your body when you fear that the other team will score, and it's the single tear that glides down your face when they finally do.

It's the wince of pain when you see one of your guys getting tackled, the silent prayer when he seems to be hurt, the sigh of relief when he slowly rises to his feet and gets back into position.

It's the hoarse voices shouting, "5,4,3, 2,1..." and the mixed emotions that follow--a wild, ecstatic delight or a mournful, unconsolable grief.

But most of all, school spirit is that certain knowledge that, whether they win or lose, your team is the greatest ever. It's the feeling that no matter what happens you'll stand behind them, ready to proudly defend all their actions. And, it's the sudden realization that no team whatever sport it represents, can stand alone--without your support, your inspiration, your undaunted devotion.

A Parting Message

"The strength of a Democracy is judged by the quality of the service rendered by its citizens." These immortal words first uttered by Plato around 400 B. C. have not only stood the test of time, but have become more significant with each passing generation.

As junior citizens, you have been able to enjoy the benefits of our affluent society without any obligations on your part. You have not been called upon to make crucial decisions about the operation of our country nor have you had to help finance the rising costs of maintaining our democratic way of life. However, the situation is about to change. You, the Class of 1968, will soon become decision-making citizens of our great Democracy. The destiny of our Country and the world will depend upon the services rendered by you, individually and collectively. This is a grave challenge which confronts you as you prepare to enter the adult ranks of our society. Which will you resolve to do - help destroy our present way of life by your **INDIFFERENCE**; or, by your interest, enthusiasm, and hard work, help to build a civilization where all the peoples of the world can live together peacefully?

In closing, may I urge you to become active citizens, to take time out of your busy schedules to enjoy life, to pause and reflect on your countless blessings, to give thanks to our Creator, and to be ever ready to lend a warm, helping hand to needy friends wherever they may reside.

If you do this, you will discover that although life seems to slip rapidly by, you will have lived a full life and you will have made a worthy contribution to mankind.

Congratulations, good luck, and God bless you.

Carl Bruno
Carl Bruno,
Asst. Superintendent

There was a time when everybody believed in miracles. Today, some do, and some don't. Personally, I see something approaching the nature of a miracle in the process of education. We who are most deeply involved in this work perhaps don't stop to think often enough how marvelous it is that knowledge and attitude may be transferred from one person to the next. The thought should fill us with awe that we have so many opportunities of shaping the minds of people. Every day we witness in our classrooms the miracle of personal inter-action, the miracle of mental growth and character development.

Dr. Chaim Weizmann, a leading chemist in England and later the first President of Israel, was once asked, whether he, being a scientist, believed in miracles. Dr. Weizmann answered: "Of course I believe in miracles, if you work hard enough for them."

My young friends, if we want to see the miracle of successful education we must, of course, work hard for it.

The world is moving too fast today. A young person in the new generation can set his career sights on a chosen goal, and find it entirely changed or even obsolete before he reaches it. This is why a formal system of education, such as ours, can never be staid and settled, can never look at only the past and present, can never reject a premise or goal because it is new.

All of us who are in some way involved in the ways and means of educating America's people--whether as administrators, teachers, custodians; whether just beginning or long at our tasks--all of us are necessarily dedicated to helping people to help themselves to a good way of life, a meaningful way of life, a way of life that insures some measure of peace, prosperity, and happiness.

To the Class of 1968 my most heartfelt congratulations and Godspeed.

On behalf of the faculty, we would like to express our congratulations to the Class of 1968. We have endeavored to give you the best possible education. We sincerely hope you have taken full advantage of our services. Education, however, is not terminal, but rather a matter of continuous activity. If you don't use the skills and knowledge you have acquired in high school, they soon will be forgotten and of little value. It is our earnest desire that you continue your education beyond the high school level by attending college, business school, technical school, trade school, and other schools and develop salable skills that will enable you to function in a very competitive society.

In addition to the economics aspects associated with education, we feel your high school experiences will provide an introduction to the worthy use of your leisure time - making available to you a more comprehensive life by appreciating better the cultural, aesthetic and recreational opportunities of your environment.

Your high school education is the beginning - not the end. We hope you are prepared for the challenges and adventures of the future.

Norman J. Smith

Norman J. Smith,
Principal

To the class of 1968:

You are now leaving the security of Huntington Area High School to go out and encounter what the world has to offer. You will be expected to leave childishness behind, and to act with a different degree of poise, selfconsciousness and maturity. For others it will be the first time you realize the value of good grades, seriousness of purpose and good study habits.

The sign of a good education is not the mere acquisition of unrelated facts. More importantly it is the ability you have achieved as an individual to adapt to change, to proceed independently, to critically analyze and accept honest criticism in return. H.A.H.S. has provided you with the facilities, the teachers and the necessary information. Whether you succeed in your chosen career or not will depend on your ability to arrange that which has been presented to you in a worthwhile and meaningful manner.

Will you be a giver or a taker? How will you serve your fellow man? Will you serve only yourself? Will you be a person of confidence, ambition and courage? Answers to questions such as these will not only be important to your own happiness, but also to the future of the world.

My congratulations and best wishes go with you. I am hopeful that you will all achieve your goals in life and that you will use your talents to make each of your own lives happy, adventuresome and worthwhile.

Secretaries

Mrs. Barbara Wilson

"May I help you," is the friendly request of H.A. H.S.'s secretaries. Mrs. Wilson and Mrs. Miller are always willing to give students helpful information, while also doing all the office work involved in keeping Huntingdon High School in top running order. The class of '68 express their many thanks.

Class of '68:

Your Board of Education is mighty proud to have been associated with the class of 1968. Accept the challenge of the future by using this, your graduation, as the springboard for bigger and brighter doings.

Good Luck,

Mrs. Barbara Miller

Your present position in life resembles that of one waiting for a train. Twelve years of schooling have provided you with a ticket. The more you have paid for it, the farther you will be able to go. The final destination is up to you.

If you get on the right track, make good use of your training, and don't get derailed on the sidetracks, your station in life should be a good one, and life's problems will be mere whistle-stops along the way.

All clear on Track '68.

James H. Jackson

To the Class of '68

Up to this point in your young lives, you have had to make few momentous decisions. Your "pathways" have been planned for you, and your choices have been few. However, you now come to a "crossroads" and from this point on, YOU will have to make the decisions; YOU will have to weigh, in your own mind, which of several choices would be the most logical. You may find yourself experiencing panic as you realize a new sense of independence.

But I, both as teacher and friend, do have faith in you - in spite of your fads and fantasies, your "mod" ideas, your teenage "rebellion", etc. It is our belief that you, as maturing, rational and responsible individuals, will successfully assume the roles necessary to the continuance of our society and of life, itself.

Best of luck as you take your first of several steps, alone.

THE HAPPENINGS

Marching Band

A terrific sound, snappy drumbeat, Tijuana Brass music and a new band director were all part of H.A.H.S.'s marching band this year. Mr. Darwin Campbell, new to Huntingdon High this year, led his band through an entertaining football season. Mr. Campbell started summer practices and presented three different types of football half-time shows, Tijuana Brass being the band's specialty. There were also parades for the band and the Winchester trip. At the Juniata College homecoming, the H.A.H.S. Band won first place in marching competition.

Those working with Mr. Campbell are the band officers: Vicki French, president; Marc Crouch, vice-president; Barb Cussins, secretary; Court Snyder, treasurer; Earl Harris; Brenda Zug; Steve Mills; and Doug Grubb; senior, junior, sophomore, and freshman representatives respectively; and Vicki Beaver, drum majorette.

The Huntingdon Area High School is to be commended for the fine entertainment and spirit they presented to all!

Twirling Corps

"1,2,3,4,5,6, . . ." yes, the routines take timing, skill, and counting - ask any H.A.H.S. majorettes. Selected in competitive tryouts, the twirlers worked hard on their routines to perform with the band during the '67 football season. Under the direction of Mr. Herbert Williams and Donna Gutshall, head majorette, the corps preceded the band and as an added attraction, used fire batons. With the band the twirlers added the final touches to the football season.

District Band

Representing H.A.H.S. this year at the annual South Central District Band Festival were eight very talented musicians. The dates for this event were January 25-27, and the host school was Lewisburg High School. Guest conductor was Allen Flock, band director at Bucknell University.

Those students participating in the festival were Barb Cussins and Brenda Weller, clarinet section; Leigh Horton, bass clarinet; Brenda Zug, flute; Pan Hearn, trumpet; Dennis Holsinger, trombone; Joe Kemp, baritone and Steve Mason, tuba.

These persons devoted much time to practicing their various instrumental parts in hopes of ranking in top place. Their desire to perfect their skill is to be highly admired.

Dennis Holsinger, Steve Mason, Leigh Horton, Brenda Zug, Barb Cussins, Brenda Weller, Pam Hearn.

David Linton, Rodney George, Diane Hicks, Herb Feather, Vicki French, Dennis Metz, Edna Davis, Mindy Reese.

District Chorus

Chief Logan High School acted as host for the 1968 South Central District Chorus Festival on February 8-10. Dr. Gerald Mack served as guest conductor.

Representatives from H.A.H.S. were Mindy Reese, Soprano I; Denny Metz, Tenor I; Rodney George, Tenor II; David Linton, Tenor II; Vicki French, Soprano II; and Herb Feather, Bass II.

These vocalists deserve a sincere vote of congratulation for securing the honor of participating in the District Chorus Festival. Much time and hard work in the form of memorizing several pieces of music went into their preparation for the event.

Girls' Chorus

Fifty-six enthusiastic freshmen girls comprised the 1967-68 Treble Choir. Under the direction of Herbert Williams, the chorus swung into action in September and began preparing for the Christmas Pageant.

The girls appeared in two parts of the Christmas Is. . . program, Reverence and Gaiety.

Concluding the season was a spring concert, "The Young Generation" featuring popular songs.

Melodee Furry was accompanist for the group.

Belles and Beaus

An appearance with the U. S. Army Stage Band, the Christmas Program, and a spring trip -- these were the highlights of the Belles and Beaus in the 1967-68 season.

Fifty-one talented Choralairs made up the Belles and Beaus, directed by Herbert Williams. The group's bright red blazers and grey skirts and slacks were especially appropriate in the Christmas show. Their five songs in the "Christmas Is...Merry" segment of the program included a card routine and numbers featuring soloist, dancers, and instruments.

Pam Hearn and Bryan Rosenberger were accompanists.

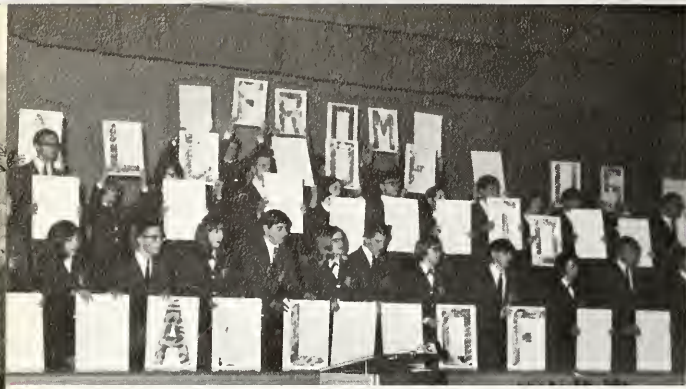

Choralairs

Christmas and Choralairs are inseparables during the Yuletide here at H.A.H.S. Traditional blue and white robes and candles were all part of "Christmas Is". Practices under the direction of Mr. Herbert Williams began in September. The goal of the Choralairs was to have the show ready for action by December 20 and 22. The skill and originality of the Choralairs in song was shown by small groups displaying their versions of Christmas and the Choral groups. Together with the Art and Shop Departments, the Music Department of H.A.H.S. helps to show students and citizens of the Huntingdon community what "Christmas Is".

Action and NEWSREAL go together and the 1967-68 NEWSREAL Staff reported news, happenings, school opinions, and sports.

Writing and getting the NEWSREAL out is not an easy job, but the staff faithfully conquered the task. Mrs. Wicker, advisor of the staff, and the editors worked hard to try to give H.A.H.S. its best paper yet.

Featured articles in the NEWSREAL Included: "Joyride," "Covering the Cats" "Editor's Mailbox," panel discussions, senior section, and articles by Tsega, Huntingdon's A.F.S. student.

Fellow Students -

The 1967-68 school term has ended; the events have passed with such speed that the '68 seniors can do little now but reminisce. With our numerous tasks completed, we the members of the 1967-68 H.A.H.S. student council wish to thank you, the students and faculty of Huntingdon Area High School, for your aid in helping us to achieve our goals.

Names and faces will remain silent and individual joys and sorrows of this outstanding year will be forgotten. Yet, the memories of student cooperation will live for years to come.

Prom '67

Garden

May 12, 1967 was a day for dreaming dancers as they entered a "Garden of Dreams". May 10, 11, & 12 were designing days for the prom committee of the class of 1968.

Walls of flowers, gardens, and log bridges set the scene, bringing the outdoors indoor. Gigantic flowers, vines, trees, butterflies, birds, and insects covered the walls of the gym; the streamers of the sky reached to a silver globe above the center of the dream garden.

Dazed dancers danced to the music of the Bruce Pettersen Band. The highlight of the prom was the crowning of Miss Dee Guisler as Prom Queen '67. She was escorted by Jeff Miller and was crowned as our queen by Bill Schock, vice-president of the class of '68 our junior year.

A very special thanks from the Class of 1968 to Mr. Thomas and the Art Department and to Mr. Mater and Mr. Yoder and the Industrial Arts Department.

Tsega-Amdemicael

Dear Friends,

This is a personal letter to my wonderful friends, the student body of Huntingdon Area High School.

This year really has been great to me, the best time and experience in my whole life. The year has been very short, I wish I could lengthen it somehow. I wish I could say "it is fall when it is spring," but it is not possible. The only way I could have it that way is by remembering all the fun I had in the school.

What a great experience it is to be an American Field Service Student in Huntingdon Area High School. I met different people with different personalities, boys and girls, as well as the Faculty.

I couldn't say "Hello" to everybody, simply because I had a continuous line of friends in the hall.

I had fun in every class with all the different students of varying grades. I had fun in gym jumping up and down and trying all sorts of new things. I had fun doing all that long, tough homework as well. I also experienced lots of things in the different clubs and school activities. I have never seen such a warm school spirit. I did not know that there could be such colorful pep rallies and cooperation of students and the school in all the school activities. The dances and parties and the exciting games have been thrilling.

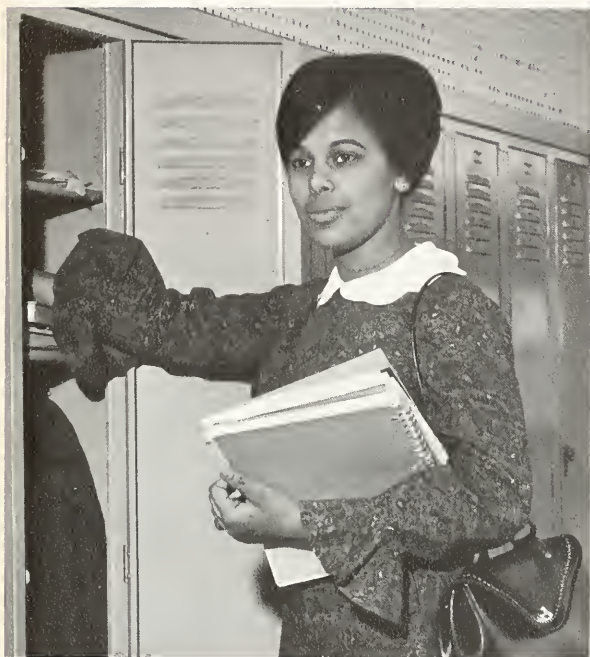

I will always remember the view of Huntingdon Area High School in different seasons. Autumn--when the trees are many colors; winter--when the hills around the school are covered with snow and the chilly wind blows; and spring--with new green life. At home we do not have different seasons, so I just have to remember my unique experience in Huntingdon.

In one letter I can't include all things I have seen and done. It will take a whole book to tell about my challenging year in America.

My dear friends, this short letter is to give you some clue of how I felt about the school and the year.

Sincerely,

27-258 0276

It singeth low in every heart,
We hear it each and all,-
A song of those who answer not,
However we may call;
They throng the silence of the breast,
We see them as of yore,-
The kind, the brave, the true, the sweet,
Who walk with us no more.

The class of '71 streamed through the doors of HAHS on September 29, full of a vitality that not even the annoying label "greenie" could destroy. At last they too were a part of the high school, free to participate in its classes, its sports, its dances, its many activities. They were ready to begin the first of four exciting years, the experiences of which would mold their lives and prepare them to face the future with insight and understanding.

Juniors

Candy sales, pep cards, class rings, and the Prom will always remind the class of '69 of its junior year. Under the direction of new officers and Mr. Horton, their adviser, the junior class began their "all-important" year. During the year, the class with the help of freshmen and sophomores worked hard to earn their graduation money. Spring came, as did the ordering of class rings and the Prom, thus ending the final duties of juniors.

THE CLASH

Athletic Queen

Huntingdon combined one of the most thrilling football games of the 1967 season on October 27, 1967, our triumph over unbeaten Hollidaysburg with yet another thrilling triumph for our very own Miss Susan Russell, 1967 Athletic Queen.

Elections were held earlier in the week with the entire student body nominating five candidates from the junior and senior classes to vie for the title of Queen.

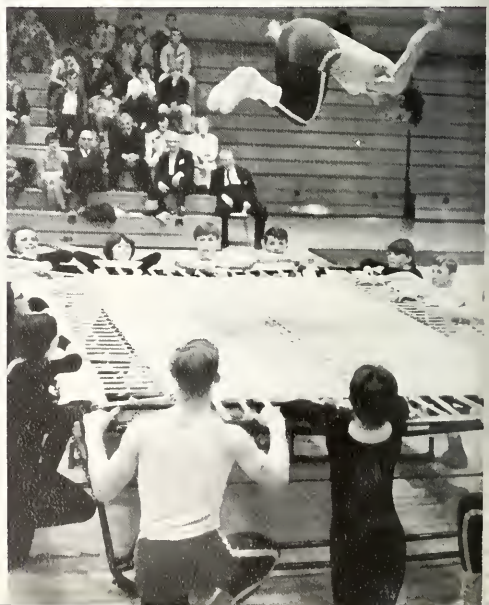

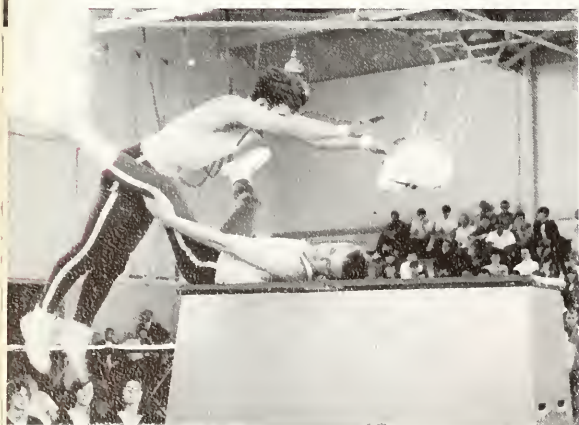

The Crowning ceremonies came at half time and no one was more surprised or radiant than Susie, escorted by Maurice Rudolph. The four girls of the court were: Connie Mateer escorted by Earl Harris, Mary Ann Chilcote escorted by Steve Kelly, Mary Lou McIlroy escorted by Dan Bryant, and Marty Morgan escorted by Joe Stidd. After the game Susie reigned as Queen at our annual Athletic Queen Dance held in her honor.

Huntingdon's Varsity Football team began its 1967 season, under new head coach Andrew Radi, with a shadow of inexperience hanging over them. With only three lettermen to work with, the new mentor brought the team to a 4-5-1 record.

The high point of the season came when Huntingdon met Hollidaysburg on War Vets Field. Huntingdon delighted Bearcat fans by smashing the Tigers' 16 game winning streak. The Bearcats never let up and went on to a 36-20 win.

Three Bearcats brought home honors for the Huntingdon team. Axel Feltenberger, Jeff Shawver, and Steve Jackson all took honors on the Central Counties All Star team. Axel took a first team position as a guard, Jeff took a second position as a halfback, and Steve took honorable mention as a center. Jeff Shawver and Steve Jackson also got honorable mentions on the All-State team.

Junior Varsity Football

The impressive performance of the 1967 J.V. football team may be a foreshadowing of good things to come for football at Huntingdon. The little Bearcats, under new head coach Pete Sellers, delighted Bearcat fans by putting together an impressive 7-1 record. The little Bearcats fought their way to 7 straight wins only to go down in defeat to a tough Tyrone team.

Huntingdon's J.V.'s were paced by great efforts from halfback Phil Banks, Quarterback Ed Biddle, and halfback John Green. Their year on the Junior Varsity has given these boys the ability to make a really great football team for H.A.H.S.

16-Game Streak

So What's New?

Did you hear the one about the four Pollocks?

After the resignation of Coach George Weaver, the Huntingdon Bearcats had the difficult task of replacing the retiring head coach. With 15 years of coaching to his credit, Andrew Radi of Ambridge High School was finally chosen.

Coach Radi had only three lettermen to begin practice on August 18. Mr. Radi brought with him stiff regulations and new formations. After three practices a day for two weeks, the Bearcats finally earned the title of "Andy's Army."

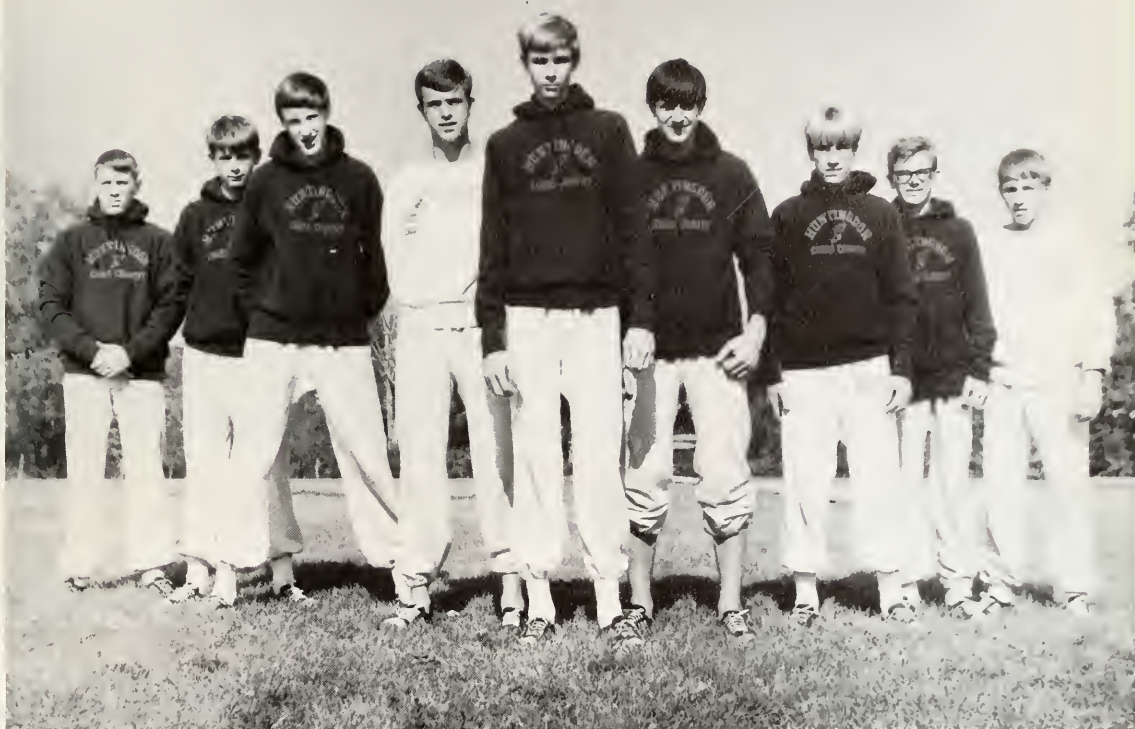

Taking over such a relatively inexperienced team was quite a job, especially for a new coach. Coach Radi gave us his best and has earned our respect. He has become quite a popular figure at H.A.H.S. and we will always remember his first season at Huntingdon when we hear the tune "So What's New," Mr. Radi's theme song which has become our own.

Can anyone buy a striped shirt?

Cross Country

Going into Huntingdon's second year of stiff cross country competition, the harriers of new coach Ernest Baker, posted a two and four record. Leading the Bearcat harriers in their wins were senior Bob Miller and junior Jeff Binney. Having six returning lettermen, Coach Baker feels the experience gained this year will help to provide a winning team in the future years.

'Cats Are Runners

Up in District Six

The varsity roundballers of Coach George Weaver found themselves faced with a lack of experience as they opened the 1967-1968 campaign. Senior captain Marc Crouch was the only returning letterman. The other senior starter, Tom Snare, added board strength to Crouch's consistent shooting. Coach Weaver turned to underclassmen Jeff Binney, Gary Shope, and Keith Black to fill the other positions, and the Bearcats soon became known as an excellent shooting team with a strong defense.

In the pre-league schedule, the Bearcats finished with 3 wins and 4 losses, the victories coming over Penns Valley twice and Bellefonte. The first weeks of Mountain League play showed that the Bearcats were there to win. Big victories over Central, 61-59, and Hollidaysburg, 65-64, propelled the Cats to the first cycle championship. The only team to beat the Bearcats in the first cycle was Lewistown.

In the second cycle the Bearcats again defeated Central, Hollidaysburg, and Philipsburg before being defeated by Chief Logan in overtime 64-62. The Cats regrouped and again defeated Tyrone, Mount Union, and avenged the earlier loss to Lewistown. The Bearcats won 12 and lost 2 in Mountain League play. The second cycle ended in a three-way tie, and Huntingdon wound up losing its bid for the cycle to Chief Logan by 47-41. The League Championship game had to be postponed until after both Huntingdon and Chief Logan completed their District Six commitments and had not been played at the time of the yearbook deadline.

In District Six competition the Bearcats beat Bellefonte 58-52 and top-seeded Lock Haven 57-41 before bowing to Johnstown in the finals by 32-39, setting their final record at 17-8.

Coach Edward McDowell's junior varsity cagers got rolling to a fine season after a slow start. In the pre-league wars the boys just couldn't seem to find the right combination on the tougher schedule, and won only two of their first seven games.

The Little Bearcats showed that they meant business in the Mountain League. In the first cycle, they won six games and lost only one. The second cycle saw great improvement and the boys were undefeated in their seven starts. The Little Bearcats finished the campaign with fifteen wins against six losses; including a fine 13-1 record in the Mountain League.

Huntingdon's wrestling squad finished its eighth season with 5 wins and 8 losses. The Bearcat grapplers, under coach Elwood Reese, made history as they shut out an opposing team for the first time when they defeated Juniata Joint 47-0. The other four wins were over Hollidaysburg 24-20, Central 29-14, Chief Logan 22-20, and arch rival Mount Union 27-22.

Five of Huntingdon's wrestlers were honored at the Hollidaysburg Invitational Tournament as Steve Jackson won the championship at 165 pounds; and 88 pounder Gary McKinney, 127 pounder Dave Fluke, 154 pounder Jerry Snare, and heavyweight John Forr were runners-up in their respective weight classes.

At the end of the season the team traveled to Tyrone to take part in the Section II, District VI wrestling tournament where 165 pounder Steve Jackson became the fourth Bearcat wrestler to win a sectional crown. Steve then went on to District VI competition in Altoona, where he was a runner-up.

Huntingdon's J.V. wrestling squad, under coach David Sellers, ended the 1967-1968 campaign with 9 wins and 6 losses. The highly spirited "little Bearcats" provided many exciting moments for local fans as well as a glimpse of what Bearcat wrestling has in store for future years.

Several boys on the squad had outstanding records including 145 pounder Ron Walz, who had an 11-2-1 record and showed six of his opponents the lights; 103 pounder Chet Banks had ten wins and five losses; and 133 pounder Dave Howe finished with a 9-3-2 mark.

Rain greatly reduced the number of meets for the 1967 Thinclads but could not dampen their high spirits. The Jackson men ended with a 4-3 mark on the year but had several other accomplishments as they finished fourth out of ten schools at the Bellwood Invitational.

There were also three new records set as Paul Rodgers ran the 180 yard high hurdles in 15.7 seconds. Keith Black ran the 2-mile in 10:51.5 and Randy Lindsey jumped 41 feet 7 inches in the triple jump for the third new Bearcat mark.

The year 1967 saw second year coach Jerome Leamer lead the Bearcats back from a disappointing season in 1966 to the County League Championship and a fine 11-3 record.

The team was built around a nucleus of seniors with John Los, Bob Wright, Jim Day, George Simpson, and Alan Justice all in the starting "nine." Los, Wright, and Day manned infield positions, George Simpson played left field, and Wib Hall handled the catching.

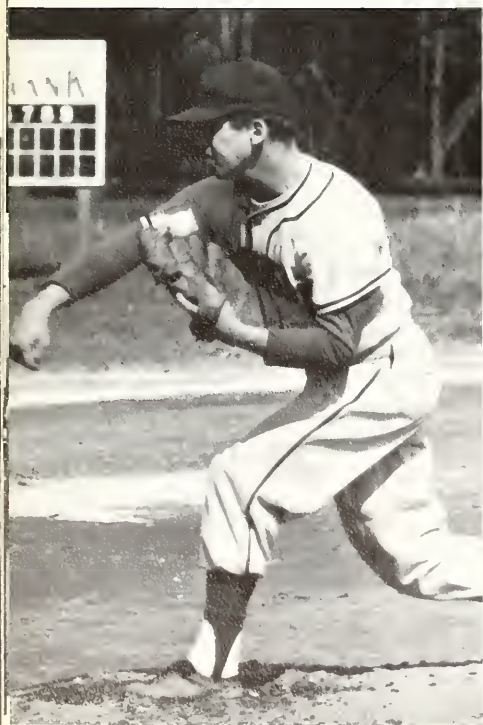

The 'Cats were "Strong up the middle" with Hall catching, Los at Shortstop, talented frosh Mike McNeal at second base and Tim Shea in center field. Simpson and Randy Carson completed the starting line up.

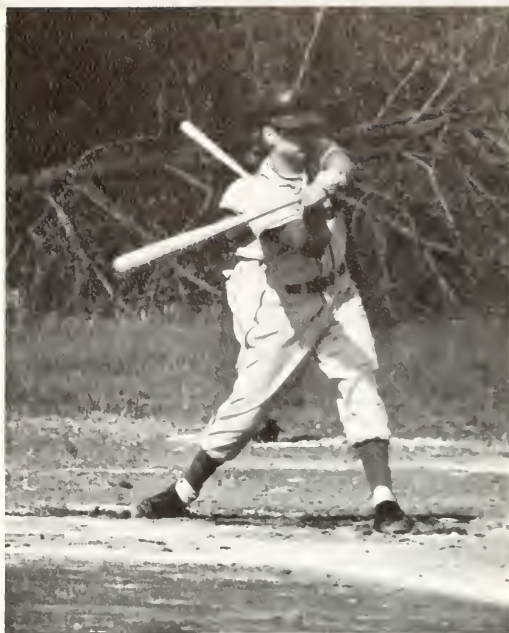

The Bearcats took the league championship by compiling a 7-2 league record, with their only losses coming to Mount Union and Juniata Valley. In exhibition games, the team recorded two victories over powerful Altoona and one each over State College and Bellwood.

Their only loss was at the hands of Mercersburg Academy.

This year's squad will be counting on returning letter winners and upcoming J.V.'s to make the 1968 season a success.

First Row--Left to Right: Alan Justice, WibHall, Bob Wright, John Los, Jim Day, Francis Royer, Peter Norton, George Simpson. Second Row: Jim Hagans, Jim Black, Rich Bullett, Axel Feltenberger, Scott

Kissinger, Tim Shea, Randy Carson, Tom Woods, Third Row: Marc Crouch, Mike McNeal, Don Weidel, Terry Price, Ed Biddle, Willard Carper, Bill Wright. Standing: Coach Jerome Leamer.

Saltzman, Dan Sell, Mark Rupert, Bill Miller, Dana Gearhart, Dave Miller.

As one of the newer sports at H.A.H.S., tennis is still in its developmental stages. Although compiling a winless record, the 1967 squad showed signs of improvement and there was no lack of enthusiasm.

By using a challenge ladder to gain places on the varsity team, Coach Gary Nolan encouraged competition among the boys while they were gaining skill and improving their technique.

With a large portion of last year's netmen returning this year, including several promising underclassmen, it is to be expected that this year's, as well as other future squads, will show much improvement.

Left to right: Bill Miller, Steve Saltzman, Denny Parks

Golf

Left to right: Coach Maxwell Corbin, Bill Huston, Fred Kephart, Jim Shuck, Bill Fuoss, Bobby Lang, Fred Beatty, Bill Flasher, Dave Christopher.

The H.A.H.S. tee-men chalked up their third straight successful season last year by posting a sparkling 7-1-1 record. For three years, the Bearcats sport a record of thirty-one wins, four losses, and one tie under Coach Max Corbin.

After a 9 1/2-8 1/2 upset loss to Philipsburg in the season's opener, the Bearcats reeled off seven straight victories and one tie. Their most impressive

win came in the last match of the season, as they upset a strong State College team by a score of 11 1/2-6 1/2.

In District 6 competition, the Bearcats were represented by a four man squad of Barry Dore, Fred Beatty, Fred Kephart, and Ed Strickler, who captured the district championship.

The Bearcats are looking forward to another fine season in 1968, with four returning lettermen.

Girls' Hockey

Undeclared? Not quite, but under the coaching of Mrs. Karen Nolan and Miss Helen Marin, the team did bring home some victories. They spent many hours practicing "drives" and "Push-passes", preparing for the season ahead.

The Bearkittens lost their opener to State College. Perhaps they were looking ahead to the first match with Grier, which they narrowly lost, 3-2. A second defeat to State and a victory over Bellwood followed.

Now came the much anticipated rematch with Grier. Maybe it was H.H.S.'s large hockey field or the weather, or a square hockey ball, but the varsity team of 1967 will proudly remember the glorious 4-2 victory they recorded.

The J.V.'s also had a fairly successful season, scoring a victory and two ties in their five matches.

Girls' Softball

The 1966-67 Girls Softball season was one of hard work and lots of practice. The team included 22 members, ten varsity and twelve junior varsity players.

The Kittens practiced after school under the guidance of Coach Linda Ritchey in order to get in shape for their games. Training rules and regulations were set up and the girls were expected to follow them.

During their season, the Bearkittens played Grier twice, winning one while losing the other. Huntingdon's girls also took on State College in a pair of matches, but were defeated both times, ending the season with a record of 1-3.

The J.V.'s record for the season was 0-4.

Left to Right: Kneeling - Kay Dunlap, Lorraine Hutchings, Galene Stanbrough, Vicki Stewart, Kathy McGinnis, Eleanor Lloyd, Vicki Metzgar, Ann Gibboney, Helen Harris. Standing - Karen Walker, Linda Sprankle,

Beverly Jamison, Linda Brumbaugh, Barb Hall, Kathy McDowell, Nancy Sprankle, Coach Linda Ritchey, Kathy Cook, Tonya Baker, Denise Updyke, Janet Hinkle, Dixie Reese, Pat Dunkle, Debbie Peoples.

Girls' Basketball

Varsity: Kneeling Row 1 - left to right - Beth English, Georgia Stewart, Donna Gutshall, Judy Edwards, Pam Etnire, Janet Hinkle, Kathy Grove. Standing - Row 2 - Lorraine Hutchings, Beverly Jamison, Pat Conrad, Sara Spooneybarger, Peggy Cesnick, Kathy McDowell, Jane Holt, Phyllis Feltenberger, Dixie Reese.

The female "pumpkin pushers" of Huntingdon Area High School once again showed an active year. Lots of work and many laps helped the girls in accomplishing their main goal - a victory over Grier!

Although this year was not very successful, the girls played very well in all of their games. Under the coaching of Miss Helen Marin and Mrs. Karen Nolan, the Bearkittens ended their season with a 3-7 record. The J. V.'s pulled through with a 4-6 record.

No matter what, we can always expect a great performance from our Bearkittens. We can all be proud of H.A.H.S.'s girls' basketball team.

Bearkittens Defeat Grier

Junior Varsity: Kneeling - Row 1 - Kay Dunlap, Debbie Wolfe, Rosemary Hammon, Pat Taylor, Carol Erickson, Debbie Lightner, Jennifer Bruno, Linda Hockenberry. Kneeling - Row 2 - Tina Crosby, Mary Bayer, Dori Pandolfino, Barb Fitzgerald, Karen Hoffman, Barb Fouse, Debbie David, Kathy McGinnis,

Sue Miller, Sharon Cutshall, Carol Warnick, Debbie Norton. Standing - Row 3 - Mrs. Nolan, Kathy Kidd, Mary Bayer, Judy Holt, Susan Harden, Linda Sprankle, Sue Carper, JoAnn Haverstock, Kathy Slawson, Leslie Smith, Jan DeForrest, Donna Black, Sandy Taylor, Kathy Stapleton.

At last, it's over. And as we loudly proclaim our joy, a tinge of regret creeps into our thoughts. It's good-bye to pep rallies, cafeteria food, and report cards; auditorium study halls, blue passes, and teachers lurking around the corners; atrium bureau programs, smelly locker rooms, and detention hall. All we have left are tarnished memories-half dream and half reality.

It will never be the same.

The Argus Staff owes its success to the leadership of the editor-in-chief, Prudy Guerin. In addition to making the sparks fly as she triggers the action toward targets effective in meeting deadlines, she energetically devotes her time to a number of other activities, and advanced placement courses at Juniata. The cooperation of all blended to produce this symbol of our fondest recollections.

The nights were long, the working conditions cramped and the pay -- well, satisfaction. No, it isn't the Peace Corp, but we did work in a "jungle" -- of layouts, photographs, and copy.

Our theme turned out to be something we call "A Maze of Memories". We discovered that all the paths of H.A.H.S. seem to lead to something exciting; whether, it be a crowd at a football game or putting the last period on that ten page term paper. The result --- ARGUS '68.

Unique, one of its kind, maybe even different - that's our book! Take our picture, for instance. It's at the end. Somehow we were the last to find a path leading from all the memories. Those people who were absent from the picture were still searching through all the photographs. Anyone finding a clue to their whereabouts please forward it to -

Argus '68 was fortunate to have "two" advisors -- Miss Sharon Van Blargan and Mrs. James Bucynski. In her first year at HAHS "Mrs. B" gained much experience in year book work and a husband. The '68 Maze-Makers thank her for all the time she gave to helping us achieve our goal.
